What children will practice: Letter recognition, phonics and fine motor skills through colouring the alphabet.

How to use:

1. Look at the letter and the picture.
2. Say the letter name and the word (A is for apple).
3. Colour the large letter.
4. Colour the picture that starts with the letter.
5. Talk about other words that start with the same letter.

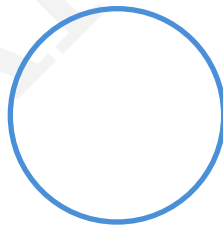

Tips:

- Use crayons or coloured pencils.
- Focus on one letter per day or week.
- Display the finished pages!

Letters included:

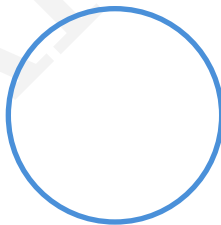

- A is for Apple
- B is for Ball
- C is for Cat
- D is for Dog
