What children will practice: Instantly recognising small quantities (subitising) using dice patterns and dominoes.

How to use:

1. Look at the dice or domino pattern quickly.
2. Say how many dots you see without counting.
3. Match the pattern to the correct number.
4. Colour or circle the matching pattern.
5. Celebrate every quick recognition!

Tips:

- Subitising builds strong number sense.
- Start with patterns for 1–4 before 5–6.
- Great for quick games and independent practice.

Activities included:

- Dice patterns (1–6)
- Domino matching
- Subitising practice
- Extra pattern pages
