What children will practice: Letter and number recognition, shape identification and fine motor skills using dot markers or bingo dabbers.

How to use:

1. Give the child a dot marker or bingo dabber.
2. Dab the circles that match the letter, number, shape or animal shown.
3. Some pages ask children to dab all the circles; others ask them to find specific ones.
4. Talk about the letters, numbers or pictures as they work.
5. Celebrate careful dabbing!

Tips:

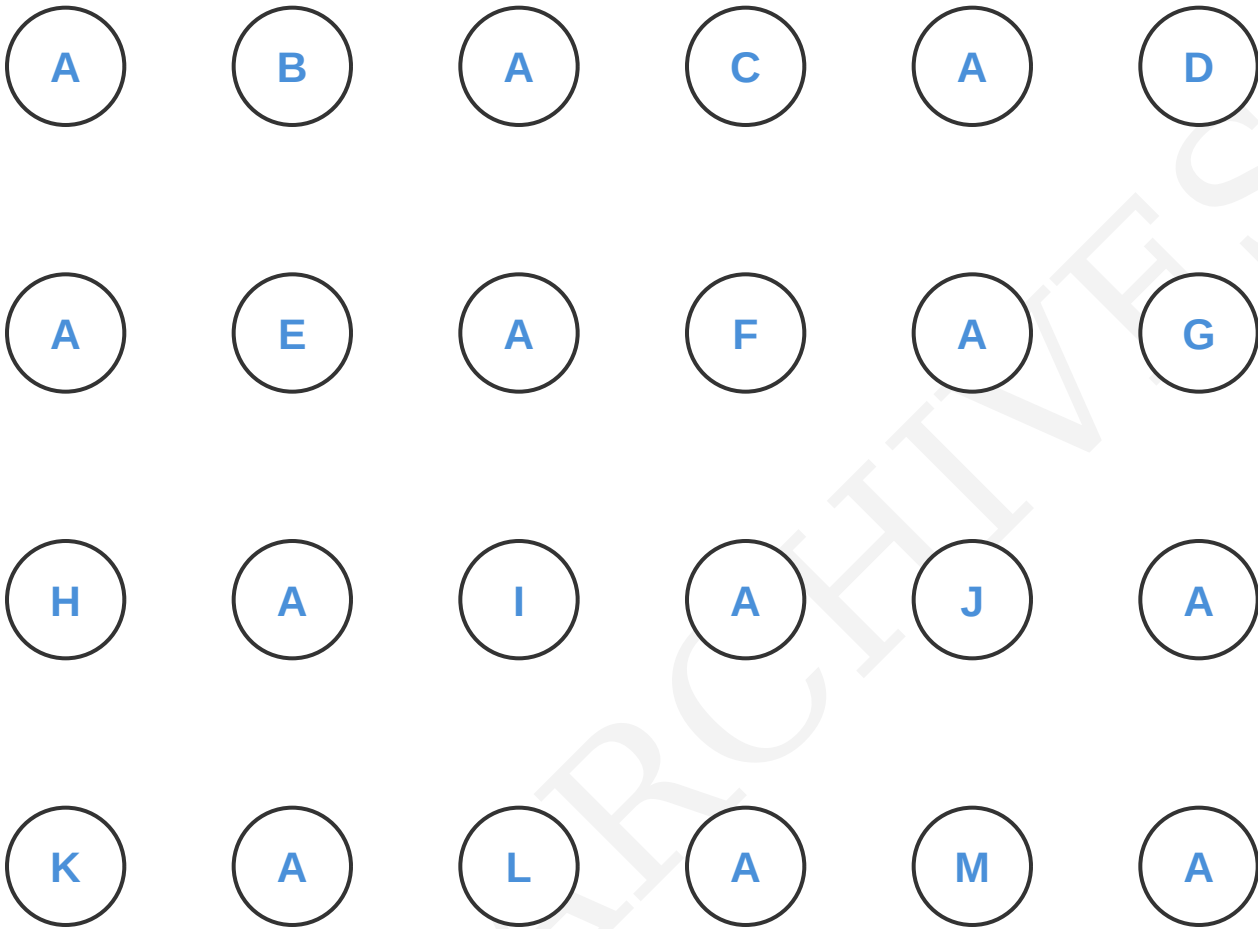

- Use washable markers for easy clean-up.
- Start with large circles.
- These pages are great for independent practice.
- Laminate for dry-erase reuse if preferred.

Pages included:

- Letter dabbing (A–Z sample)
