I-Spy

What children will practice: Visual discrimination, attention and vocabulary by finding objects in picture scenes.

How to use:

1. Look at the picture scene together.
2. Read the list of things to find.
3. Circle or tick each item as you spot it.
4. Count how many you found.
5. Talk about the scene!

Tips:

- Start with fewer items for younger children.
- Use these pages for quiet independent practice.
- Great for developing focus and observation skills.
