

Initial Sound Matching, Colouring and Sorting

Listen for the First Sound

Student Details

Name:

Class:

Date:

Teacher:

What children will practice: Identifying, matching, colouring and sorting pictures by their initial sound.

How to use:

1. Look at the pictures together.
2. Say the word and listen for the first sound.
3. Match, colour or sort the pictures by their starting sound.
4. Talk about other words that start with the same sound.
5. Celebrate every correct match!

Tips:

- Start with sounds the child knows well.
- Use these pages for phonics and listening skills.
- Great for independent or guided practice.

Activities included:

- Initial sound matching
- Colour the pictures that start with the sound
- Sorting by initial sound
- Extra practice

Initial Sound Matching

Draw a line to match the picture to its first sound.
