What children will practice: Letter formation, fine motor skills and pencil control with starting-point guidance.

How to use:

1. Look at the large letter and the red starting-point dot.
2. Place the pencil on the red dot.
3. Trace the letter carefully.
4. Practice the smaller letters on the lines below.
5. Say the letter name and sound as you trace.

Tips:

- Start with the capital or lowercase that is easiest.
- Use a pencil so children can erase if needed.
- These pages work well for daily letter practice.

Pages included:

- Capital letter tracing (A–D sample)
- Lowercase letter tracing (a–d sample)
- Both capital and lowercase
- Extra tracing practice
