**What children will practice:** Recognising number order and filling in missing numbers on a number line.

**How to use:**

1. Look at the numbers that are already on the line.
2. Count carefully to find the missing numbers.
3. Write the missing numbers in the boxes.
4. Check that the numbers go in the correct order.
5. Celebrate every completed number line!

**Tips:**

- Number lines help children see the order of numbers.
- Start with smaller ranges (0–5 or 1–10).
- Great for number recognition and sequencing.

**Activities included:**

- Missing numbers on number lines
- Different ranges and patterns
- Extra practice lines
