What children will practice: Tracing numbers and matching them to the correct number of pictures.

How to use:

1. Look at the large number.
2. Count the matching pictures.
3. Trace the number carefully.
4. Write the number independently.
5. Practise one number at a time.

Tips:

- Teach one number at a time.
- These pages support number recognition and counting.
- Great for daily number practice.

Numbers included:

- Numbers 1 to 5
