What children will practice: Recognising, tracing and counting a number each day or week.

How to use:

1. Choose a number for the day or week.
2. Look at the large number.
3. Trace and write the number.
4. Count the dots.
5. Do the activities on the page.

Tips:

- Focus on one number at a time.
- These pages support number recognition and counting.
- Great for daily maths practice.

Numbers included:

- Numbers 1 to 5
- Numbers 6 to 10
- Extra number practice

Trace and write the number 1. Count the dots.

Count the dots:

Write the number:

1

1

1

Trace and write the number 2. Count the dots.

Count the dots:

Write the number:
