Teacher:

more

less

1

What children will practice: Finding one more and one less than a given number.

How to use:

1. Look at the number.
2. Think about what comes next (one more) or what comes before (one less).
3. Write the answer in the box.
4. Use a number line if you need help.
5. Celebrate every correct answer!

Tips:

- One more is the next number when counting forward.
- One less is the previous number when counting backward.
- Great for building number sense and early addition/subtraction.

Activities included:

- One more
- One less
- Mixed practice
- Extra number practice

What is one more? Write the answer.

One more than 2 is

One more than 4 is

One more than 1 is

One more than 5 is

One more than 3 is

What is one less? Write the answer.

One less than 5 is

One less than 3 is

One less than 6 is

One less than 4 is
