Pattern Cards

What children will practice: Pattern recognition, fine motor skills and concentration using pegboards or pom-poms.

How to use:

1. Show the child the pattern card.
2. Give them a pegboard and pegs, or a board and pom-poms.
3. Copy the red dots exactly onto their board.
4. Check the pattern together when finished.
5. Try the next card.

Tips:

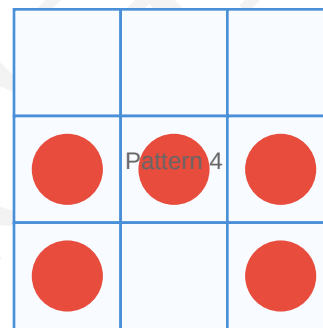

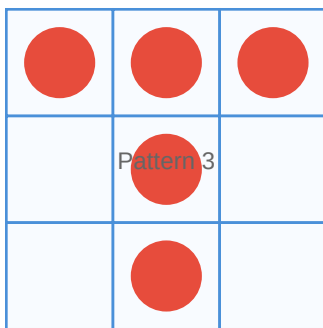

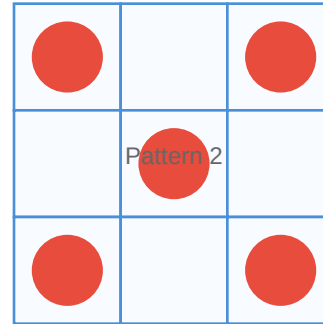

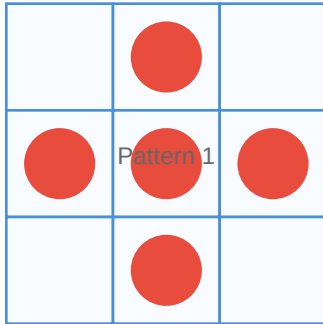

- Start with simple 3×3 patterns.
- Use different coloured pegs or pom-poms.
- Laminate the cards for reuse.
- These cards work well for independent or small-group work.

Cards included:

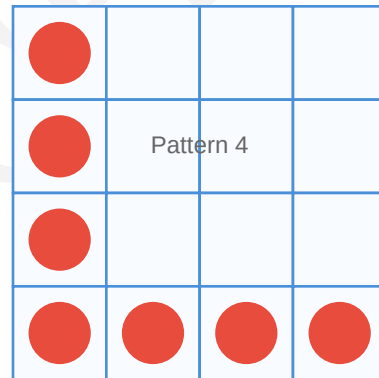

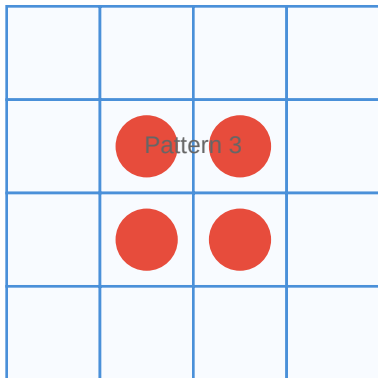

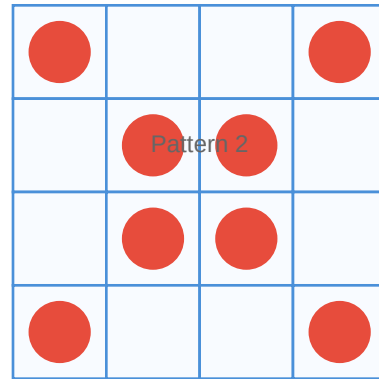

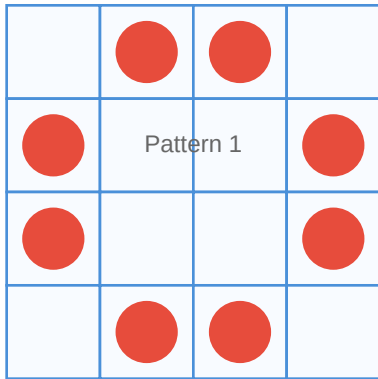

- Simple 3×3 patterns
- 4×4 patterns
- Line and shape patterns
- Extra challenge cards
