How to Use These Playdough Mats

What children will practice: Fine motor skills, letter and number formation, shapes, creativity and counting using playdough.

How to use:

1. Place the mat on a flat surface (laminated for reuse if possible).
2. Give the child a ball of playdough.
3. Roll, shape and place the playdough to match the picture or letter/number.
4. Talk about what they are making.
5. For number mats, make the correct number of balls or pieces.

Tips:

- Soft playdough is easier for little hands.
- Start with large shapes and simple letters.
- Celebrate creative attempts.
- These mats work well for small group or independent play.

Mats included:

- Letters (A–Z sample)
- Numbers 0–10
- Shapes
- Faces and emotions
- Pizza and cupcakes
- Snowmen and bugs
- Make the number of... mats
