spot

What children will practice: Reading words, matching them to pictures, sorting by sound and spotting target sounds in pictures.

How to use:

1. Read the word or look at the picture.
2. Match the word to the correct picture.
3. Sort the words into the correct sound group.
4. Circle the pictures that contain the target sound.
5. Celebrate every correct answer!

Tips:

- Use these pages after teaching the target sounds.
- Great for independent or guided phonics practice.
- These activities support reading and discrimination skills.

Activities included:

- Read and match
- Sort by sound
- Spot the sound in pictures
- Extra practice

Read and Match

Read the word and draw a line to the matching picture.

cat

cat

dog

dog

sun

sun

hat

hat
