What children will practice: Fine motor skills, one-to-one correspondence and careful placement using stickers.

How to use:

1. Give the child a sheet of small stickers (or dot stickers).
2. Peel and stick one sticker inside each circle.
3. Try to keep the sticker centred in the circle.
4. Talk about colours and patterns as they work.
5. Celebrate when the page is full!

Tips:

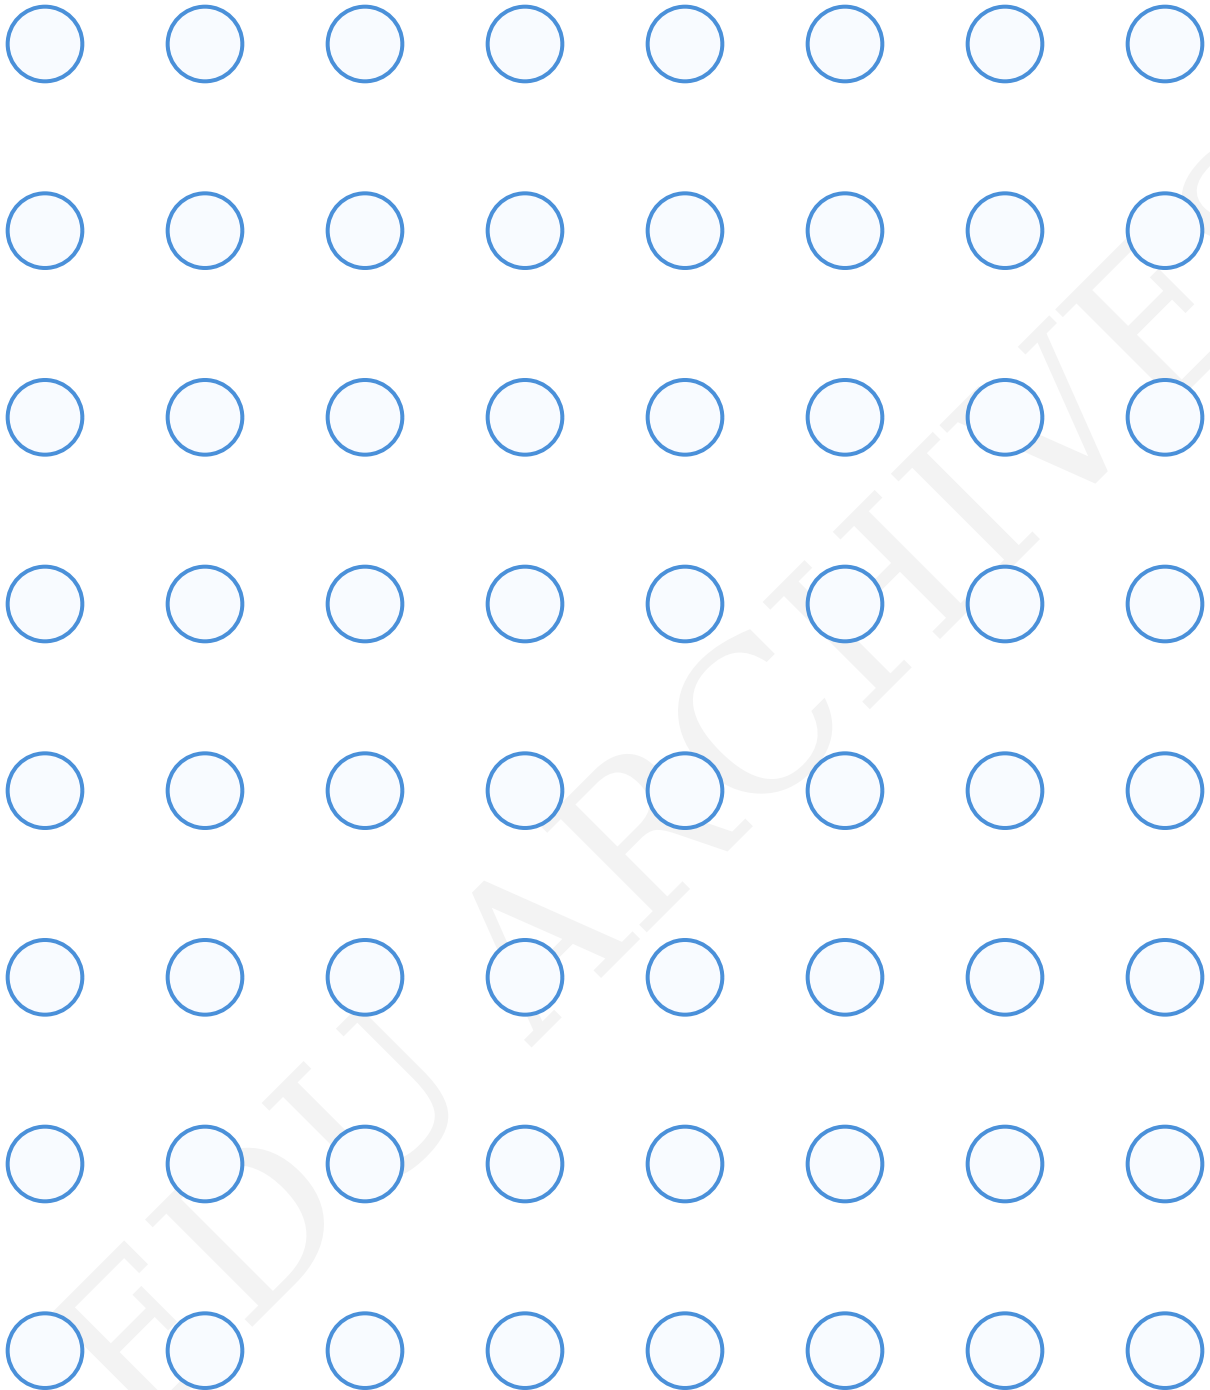

- Start with larger circles for younger children.
- These pages are calming and satisfying to complete.
- Use themed stickers to match seasons or topics.
- Great for independent quiet-time activities.

Pages included:

- Small circle grids
- Medium circle grids
- Large circle grids
- Mixed size circles
