What children will practice: Scissor skills with fun themed cutting activities.

How to use:

1. Look at the picture and talk about what needs cutting.
2. Cut carefully along the red dashed lines.
3. For the lion: cut the mane to give him a haircut.
4. For the monster: cut the wild hair.
5. For the octopus: cut between the legs.
6. Supervise closely and use child-safe scissors.

Tips:

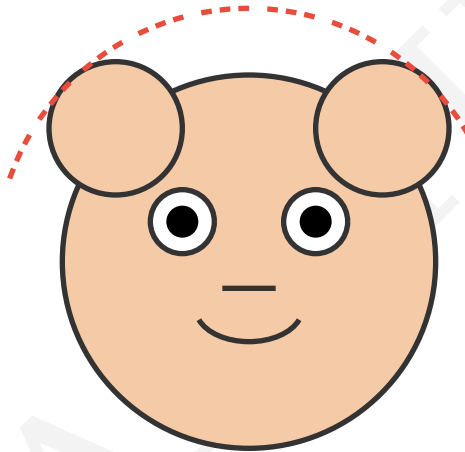

- Start with the easier straight or gently curved cuts.
- Encourage slow, controlled snips.
- After cutting, children can colour the pictures.
- Celebrate when they finish helping the character!

Activities included:

- Give the lion a haircut
- Give the monster its hair
- Give the octopus its legs
- Extra cutting practice
