

Trace, Write, Colour Count and Circle

Mixed Early Years Practice

Student Details

Name:

Class:

Date:

Teacher:

trace

count

circle

What children will practice: Tracing, writing, colouring, counting and circling in mixed activities.

How to use:

1. Trace the letters or numbers.
2. Write them independently.
3. Colour the pictures.
4. Count the dots or objects.
5. Circle the correct answer.

Tips:

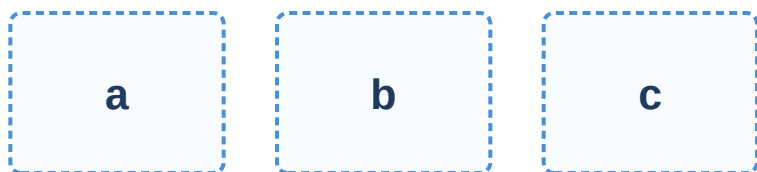

- These pages mix several early years skills.
- Great for independent or guided practice.
- Use them for daily revision.

Activities included:

- Trace and write letters and numbers
- Count and colour
- Circle the correct item
- Extra mixed practice
