What children will practice: Building VC and CVC words by cutting out letters and sticking them in the correct order.

How to use:

1. Look at the target word.
2. Cut out the letter tiles at the bottom.
3. Stick the letters in the boxes to build the word.
4. Blend the sounds to read the word.
5. Celebrate every completed word!

Tips:

- Start with VC words before moving to CVC.
- Use these pages for phonics and fine motor practice.
- Great for independent or guided work.

Words included:

- VC words (at, in, on)
- CVC words (cat, dog, sun)
- Extra word building practice
