What children will practice: Finding words around the room and writing them down on a recording sheet.

How to set up:

1. Write words or letters on cards and hide them around the room.
2. Give each child a clipboard and a recording sheet.
3. Children walk around and find the cards.
4. They write the word in the matching numbered box.
5. Celebrate when the sheet is complete!

Tips:

- Start with 6–8 words for younger children.
- Use these sheets for letters, CVC words or sight words.
- Great for active learning and writing practice.

Sheets included:

- 8-box recording sheet
- 12-box recording sheet
- Letter hunt sheet
- Extra practice sheets
